Faculty of Computer Science 2006-2007 Seminar Series

Transforming Ourselves: Are We Up For It?

By

Dr. Jane Fritz

Professor, Faculty of Computer Science
VP Learning Environment

Wednesday, February 28th, 2007
3:35pm
ITC317

What are the issues surrounding the current controversial campus-wide complement planning exercise? What does it mean to us in CS? What could it mean? How can we take charge of our own destiny? Come and participate in an open discussion of these questions.
