IT at UNB: *A Success Story*

Presenters:
**Greg Sprague and
David Macneil**
Past Directors of ITS, CS and CC
**(Integrated Technology Services,
Computing Services, Computing Centre)**

Since the first computer arrived on campus in 1958, UNB has been a leader in using IT in support of teaching and learning, research and the administration of the university. This presentation will discuss several of the first computers at UNB, their applications and the partnerships that enabled them.
