The Asia Pacific ICT Awards (APICTA) is an international awards program which aims to increase ICT awareness in the community

and assist in bridging the digital divide. By providing networking and product benchmarking opportunities to ICT innovators and entrepreneurs in the region, the program is designed to stimulate ICT innovation and creativity, promote economic and trade relations, facilitate technology transfer, and offer business matching opportunities via exposure to venture capitalists and investors.

Participants of the awards program comprise members of the APICTA Alliance. They are guided by the Framework of Cooperation identifying how member-economies can work together in support of the Awards Program as well as other programs that foster development and growth of the ICT industry in the region. APICTA's 16 member-economies include Australia, Brunei, China, Hong Kong, India, Indonesia, Korea, Macau, Malaysia, Myanmar, Pakistan, Philippines, Singapore, Sri Lanka, Thailand and Vietnam.
